**Friends of Plum Beach Lighthouse, Inc.**

Thank you for your interest in becoming a member of the Friends of Plum Beach Lighthouse. Our group was formed in 1988 after a rumor of the potential demise of the lighthouse was spread. Fortunately it was just a rumor, but our group lives on and has taken the role of being the protector of the lighthouse. Join us as we move forward with new ideas and plans for the lighthouse.

Should you wish to attend any of our meetings, we would most certainly welcome you! Please give Jill Slusarski, our membership chair, a call at 401-789-5832, to find out when and where the next meeting is to be held, or to leave your phone number for her to contact you when one is to be scheduled. It would be great to have the chance to meet, to perhaps exchange ideas (which are always welcome!) and learn about each other, and of course the lighthouse and our dreams and plans for the future.

Please check this box if you'd like us to send you meeting minutes when they are available.
